# Pattingham Bells Run

## Can you help?

This year's Bells Run, the 22nd, takes place on Sunday 16th October 2011 and we need sponsors to help cover the basic operating costs.

The Pattingham Bells Run and the new Junior Race will take place on Sunday 16th October 2011, starting at 11.00 am and 10.00 am from the Village Hall Playingfields.

The first run back in 1990, was organised to raise money to replace the old wooden bell frame in the belfry of St. Chad's church in Pattingham. Because of its popularity, the run has continued over the years and now is a respected event in the running world with a limit of 1000 entries.

All proceeds from the race are now used for local charities, such as the County Air Ambulance, Air Training Corps, Playing Fields Committee, St Chad's School and also to help St. Chad's Church funds. All runners finishing receive a 'Bells Run' brass and the first runner from the Parish of Pattingham with Patshull will be presented with a cup to be held for one year.
